# ***HANSRAJ PUBLIC SCHOOL***

presents

*The 4th edition of its annual conference  
on 28th June*

***Together, we break the wheel!***

***Co-Organised by***

*Many call me the most evolved specie.  
But I am mostly commonly known as a human being.  
My abilities and strengths,  
Are widely acknowledged as my greatest assets.*

**Every time I grow,  
I evolve,  
I enhance,  
I improve my core beliefs.**

*For thousands of years I've lived.  
For thousands of years I've revolved on the earth.  
For thousands of years I've worked to be the best I could be.  
And after all this time I realised exactly what I need.  
What I need to overcome my mistakes.  
What I need to wash away my sins.  
Because I know I've made many.*

**For thousands of years I've moved in the same cycle,  
And after my billionth fall,  
I know the only way to move forward,  
Is to break the shackles of my past.  
The only way to move forward,  
Is to break the wheel.**

# ***About Hansraj Public School***

With a vision to inspire young students to be confident, considerate good human beings who would be lifelong learners with global attitude and responsible citizens, HPS is committed to promote human values, provide a nurturing environment and engaging parents towards all round harmonious development of our students.

*“Through knowledge one attains immortality”*. According to the vedas, without knowledge and learning one cannot attain immortality. Therefore, one must always try to acquire knowledge and what better way to do this than by imbibing it from your teacher or Guru. To further our efforts towards this cause, The HPS MUN was established in 2017 and after three successful conferences is back with its fourth edition.

## ***About HPS MUN 2020***

They say a lynchpin, can be something as small as an idea in the head of someone who's ready to make a difference. Which is why HPS MUN 2020 stands strong and ready to break the wheel, not settling for any less. Our call and message is to all world enthusiasts.

We see the world burning. We see the world dying. Thus, it is only fair and fitting for us to address, understand and progressively discuss the reason, the consequences and the immediate need to cease from history repeating itself. We invite you to HPS MUN 2020 -

***When the world is dark and despondent, the need for knowledge becomes even more important, the need to ensure that even if everything comes to a stop, a student who wishes to learn shall always have access to education.***
