‘विद्ययाऽमृतमश्नुते’

विद्या से अमृत की प्राप्ति होती है ।’

'Through knowledge one attains immortality.'

The Vedas have declared that attainment of immortality is possible for those who attain knowledge, so one must always strive to acquire learning by staying with one's preceptor or the 'Guru'

FOREWARD

'A good plan is like a road map, it shows the final destination and usually the best way to get there'

- H. Stanely Hudd.

Hansraj consistently strives to create a conducive environment for learning. This roadmap is a worthy effort in this direction to enable Hansarians to prepare well and excel in the current academic session. It aims to aid students and then parents to get an expansive overview of the syllabus to be covered throughout the session, with month wise division of chapters. To provide further guidance, clear segregation of periodic syllabus has been given. A blue print of subject wise exam paper along with division of marks has been included to enable our students to achieve high academic merit.
