

HANSRAJ PUBLIC SCHOOL

SECTOR 6, PANCHKULA

Summer Assignment | Class I

Message from Principal

Dear children

Greetings and wishes for your good health and safety!

Learn from yesterday, live for today, hope for tomorrow. Remember, self-belief and hard work will always earn you success.

We began this session with a hope that we will be seeing you in the school but because of the pandemic, once again you all have been attending virtual school with regularity. It gives me immense pleasure to say that Hansarians are working hard on all aspects of learning, taking part in a number of activities.

Now, dear children, it is time for the much awaited summer vacation. These vacations like the last year are going to be different than any before. To keep safe and healthy you will be staying indoors and are not going out to visit places and people. Nevertheless you can utilize this leisure time to improve upon your skills and learn new ones. It is an excellent opportunity for you to become friends with books. Reading stories will help you expand your mind, your language skills and your understanding of people, cultures and practices beyond your scope. Those who read always have an edge over others.

Enjoy this unrestricted time your family members, listen to their stories about times before and share with them what you think about things around you. Learn new things, develop a hobby and indulge in activities which exercise your body and mind. Let technology enable you to gain insight into subjects of interest, use it as an aid to visit places virtually and learn about people who made a difference.

The most important thing, dear children, is to keep asking questions. Questions help us to find answers. You are full of potential and promise so gear up and spread your imagination and use these holidays to further enhance your skills and personality.

The holiday homework has been planned to help you to not only revise the concepts learnt but also to explore and stretch your knowledge. So enjoy and learn as you complete the tasks set for homework.

Stay home, stay safe!

Jaya Bhardwaj

Hello Kids,

Here comes the summer break! Time to have loads of fun and cheer

.....

These are unprecedented times and we are all battling with Covid – 19. We cannot step out of the house so let's spend quality time with our family and follow these simple steps.

1. STAY SAFE INDOORS

- Practice good hygiene - Eat healthy food, take proper rest.
- Wash hands for a minimum of 20 seconds many times during the day.
- Maintaining social distancing is the best method to keep Covid -19 at bay.
- In case you have to step out wear a mask.

2. READING MAKES A PERSON SMART

- Reading leads to language development of the child and it builds vocabulary.
- Put reading in practice. Read Fairy Tales and other story books of your choice.
- Read the scholastic book received in your book set according to your section.
- Talk about your favourite character and your favourite scene from the story.
- **Do the worksheet related to the book on page- 4 .**

3. BEING INDEPENDENT AND RESPONSIBLE

- Watch your parents working and help them out in daily chores.

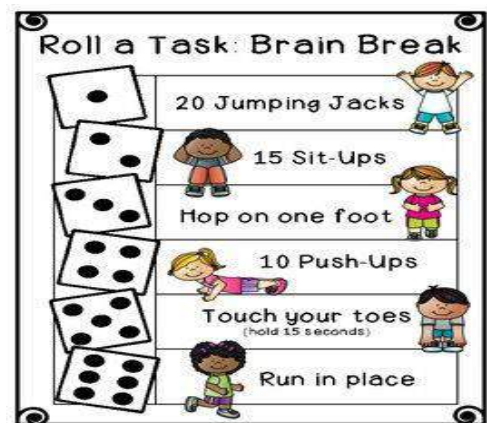

- Help them watering the plants, folding clothes, cleaning the window panes, laying the table, drying the dishes, dusting the house.

4. FAMILY TIME

- These are times like no other. The children would have
Usually gone for trips to their relatives' houses or on a
vacation. So please talk to your child and show pictures of
different places and monuments.
- Play indoor games with your child like hide and seek, ludo, carom board.
- Exercise daily, do skipping, dance to music, sing songs together.
- Enjoy the stretching exercises together given below -

A stretch (or two) a day,

Keeps the injuries away

**Roll a dice and do the exercise
according to the number that
flashes on it.**

- Put the magic words please, sorry and thank you in practice.
- Communicate with your child in English. Try to speak simple sentences with them. Example :
 - Please bring a glass of water.
 - Thank you for helping me.

- What would you like to have for dinner?
- Come let's read your favourite story book.

Dear Parents,

There are a range of activities you can indulge in with your kids in the comfort of your home and create long lasting memories:

Have a scavenger Hunt - Put together a list of household objects and see who can be the first to find everything on the list!

Plays Hot Potato - This game will have everyone giggling. Ask the kids to sit on the floor in a circle. Turn on some tunes and have them pass the potato (a bean bag or soft ball) around the circle as fast as they can. When the music stops, the player holding the potato leaves the circle. Keep going until only one player is left and wins the game.

Sound safari - Show your school-age kid how to use the digital recorder on your phone, then ask them to go around the house or yard recording 10 different sounds. Emphasize that they should take their time and try to stump you.

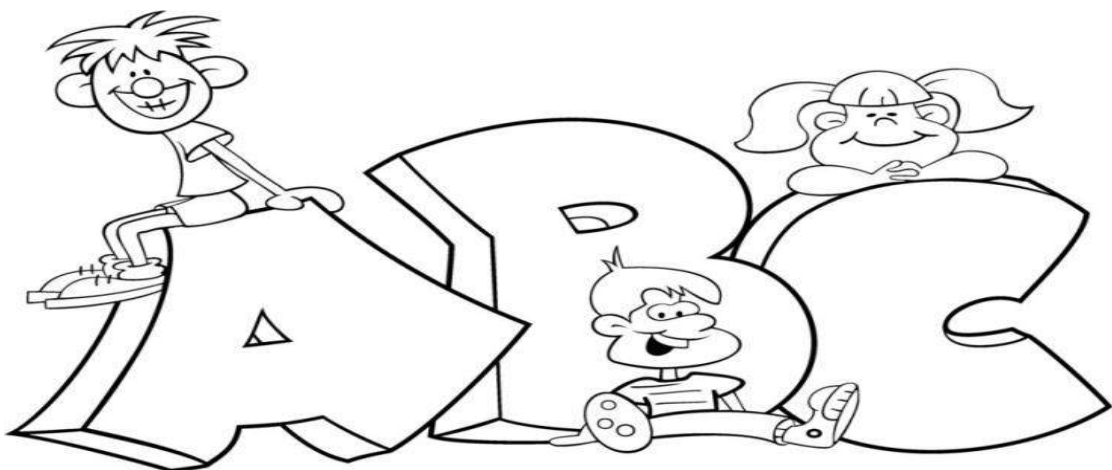

Movie Flicks and Popcorn Time – Since Movie halls will remain closed for some time, take the opportunity to watch movies in English with your children. Suggested movies you can watch

- Kung Fu Panda Series
- Inside Out
- Zootropolis
- The Lego Movie

- Up
- Toy Story Series
- The Jungle Book

Cartoon Time – Indulge your child in watching cartoons in English. Shaun the Sheep, Peppa Pig, Micky Mouse Club House, Jake and the Never Land Pirates.

Check Out the Stars - To get started on this fun family activity, download a star chart from the internet. Then choose one spot in your yard that affords a clear view of the heavens, and venture outside to watch how the night sky changes each day.
