

Periodic 1 Result

Dear parents

The result for session 2019-2020 was generated online because of the lockdown in view of prevailing Pandemic .

The school has been running online classes and a variety of activities since then . The *Periodic 1 Assessment* were also conducted virtually through Google Forms ,the result of which was not completely generated as the complete data of students is not yet updated in our software .

The same is under process at present .

This is to inform that the result will soon be shared with all as soon as the data is fully updated . Kindly bear with us

Thank you

Principal
